OF PLEASURE

The three first Matriculates from the Maharani Girls' school were recommended for appointment as School mistresses on Rs 100 p m

serial No —— 27 (a)

As these three were willing to continue their studies for the F A Examination, the question of appointing them on Rs 100 p m was dropped and it was resolved that "the question of salary (whether 100 Rs per mensem or not) for the subsequent matriculates be reserved for future decision"

serial Nos 35 & 36

Lately, the case of one A Lakshmi-devamma (a Matriculate from the Maharani Girls 'School) came to be considered under para 2 of serial No 36 and she was entertained on a salary of Rs 100 p m This was sanctioned by Council

Please see: Lakshmidevamma's file putup

The case of Puttasubbamma has now to be considered, as there is no general order on the subject Puttasubbamma was appointed on a salary of Rs 50 p m in

in the girls' school at Chickballapur Please see Sl No 78 of File No 17-
She has since passed the Matriculation
Examination (1899) and claims
the same treatment as Lakshmidevamma
i e, she wants her pay to be raised to Rs 100 per Mensem

2) The second point for decision is
whether Puttasubbamma be
given leave for three years
to enable her to study for the
F A Examination The question
of granting such a leave (without
allowances) would be ~~permissible~~
admissible under art 221 of the
Mysore service Regulations

3) The question of the scholarship of Rs 50 p m
prayed for by Puttasubbamma
if She Continues her studies for
the F A Examn, is before council

Letter No $\frac{8754}{394}$ d 19/3/00
from the D Gl states ~~in~~, in connection
with the formation of the junior
F A class in the Maharani Girls'
school, that both Puttasubbamma
and Lakshmidevamma (two of
the three proposed candidates
for the junior F A class to be

3

formed) will resign their present appointments of 50 Rs p m and 100 Rs p m respectively and take up service again after passing the F A Examination ~~they will be given appointments of Rs 150 being guaranteed to them~~ In fact the financial effects of these proposals (viz the formation of the junior F A class and that of the Senior F A and granting of scholarships were worked out on the understanding that they will resign service (Please see para 2 of letter No 8754/394 d 19/3/00)

The request of Buttasubbamma that she may be granted leave for three years, is therefore quite different from what was said before

Ruled Rs 100/-.

The question of
may be given to
matriculates was
never settled as a
general question. Lakshmi
Narayanaiah's case was
dealt with on its
own merits & it
was understood that
there was no need for
Dr Healy to write it as
part of a general
question - Bhattacharyya
cannot therefore quote
it as a precedent
& claim a salary
of Rs 100

In the case of
the first battle of
matriculates Govt
was not in favor
of entertaining them
in service & then Govt
knew Lala Bhatta
Subbanna's case
is however different
from the rest already
in service - Mr Bhatta
in his letter said he
would resign - Hon

This is the proper thing to do – unless she decides to resign

× in which case she will be allowed $150 as scholarship subject to the usual conditions

It is said that the Regents of the University whether she resigns or resigns her appointment will be

This question need not be considered till we know that Miss Sullivan does not wish to form a class of deaf children to continue a School which she shd be called upon to state before the Finance Committee

She may be given leave without pay so that if she wishes she may have time to make up a class she might go to Boston to her present attorney - ment.

The matter was referred to the Committee on the 28th

Later on in January 1900, the case of one A Lakshmidevamma who passed the Matriculation Exam^n (1899) from the Maharanis College came to be considered and she was entertained in the Edn Dept (as Hd mistress of the

the Arya Balika Pathasala, Bangalore on Rs 100

A few months later in March 1900, the case of Puttasubbamma, another Matriculate from the Maharani's Girls College, came up for the orders of Govt [This Lr dg, even before she matriculated was appointed as HD mistress of the Govt Girls' school at Chikballapur on pay Rs 50 a month on her passing the Matriculation Exam^n (in 1899 Dec) she claimed the same treatment as Lakshmidevamma and wanted her pay to be raised from Rs 50 to Rs 100 a month]

Please see Lakshmidevamma's file put up (Paper 1 attached with slip D)

Sl No 78 of the puta Paper 1 attached with Sl No 8 M

She was also willing to continue her studies for the F A Exam^n

In passing orders it was observed that "Puttasubbamma cannot quote "Lakshmidevamma's case as a precedent "and claim a slary of Rs 100 and that "the question of her slary will be considered "when it is known that she does not "wish to join the Junior F A Class, but "desires to continue as school mistress"

G O No 10587 d 30/12/96 Ed F 17 96 (slip F)

She continued her studies for the F A Exam^n and failed to pass that Exam^n held in December 1902 (Failed in all the subjects except Kannada)

She has reverted in consequence to her place in Chikballapur (as HD mistress) on Rs 50 a month

The D.I.G. now reports that with reference to the G.O. No 1088 7/Ed F 17-96 dated 30-3-'00 wherein the question ~~of what salary~~ what salary she should get, if she continued as Ad mistress was reserved for further consideration, she has now renewed her application for promotion to Rs 100 which was the pay given to Lakshmidevamma a matriculate like her.

In this connection it is noted that in G.O. No 1239-40 Ed 46 dated the 24th July 1901, a regular scale of pay has been fixed (subsequent to the G.O. No. 1088/Ed F 17-96 d. 30-3-'00, passed in Puttasubbamma's case) for the Lady Teachers According to this a matriculate can get an appointment in the Edn. Deptt in Class D I (30-2½-4/2-Fr a's can get into Class C IV (50-10/2

The D.I.G. recommends that in consideration of the additional training which Puttasubbamma has had in the Fr A classes, her pay may be raised to Rs 75 a month.

No provision exists in the budget for the increase proposed by the D.I.G. If it be sanctioned it has to be treated as an additional charge.

Some expectation of having a higher salary seems to have been held out, though 50 Rs is high enough for a matriculate accg to the revised standard adopted & if promotion is considered fair, perhaps putting her into the higher grade (Cl II) & allowing the increase only accg to increments may be better orders solicited.

The scale recently laid down in the order of 24th July 01 Cannot affect Putta Subbammas case

In the Council Resolution of 3rd September 97 the question of salary allowable to Matriculates was reserved for further decision Subsequently the Council in their Resolution dated 16th December 1899 sanctioned Matriculate Subbammas entertainment on Rs 100 a month That was dealt with as an individual case & the general question was not settled - In the next year Putta Subbamma who was already in receipt of Rs 50 a month, hoped her

5

Matriculation and
added that she might
be given Rs 100 a month
in the same way as
Lakshmi Devamma -
Govt was of opinion
that the precedent quoted
did not apply. They
reserved the question
of Kulla Subbamma's
pay for future decision
as the Board have
to enable her to study
for the F. A Examn
failed in that examn
- tion. She has now
returned to duty; &
the question has now
to be decided what
pay she should get
If on the one hand
she matriculated
one year after Lakshmi
-devamma, there is
on the other the fact
(1) that she was
given Rs 50 a month
even before she
matriculated; (2)
that she was granted
a deputation allowance of Rs.
50 during the period
of her study for
the F A & (3) that she
has had some
additional training

6

In these circumstances, if the cannot at once be given Rs 100, I think she may be given Rs 75 rising to Rs 100 by annual increments of Rs 5 each. This may be given effect to from 1st July 1903, due provision for the increase being made in the Budget.
